

VETERAN INFORMED TRAINING

Become more informed on issues and resources specific to those who have served in the United States Military. Certified Peer Support Specialist (PSS) can use this Oregon Health Authority (OHA) approved course to prepare to work with Veterans struggling with Mental Health and Addiction issues.

Topics covered: Understanding Mental Health in the Military, Effective Communication, Relationship Issues and Conflict Management, Person Centered Planning, Self-Care, Women Veterans Health, Veteran Benefits, Navigating Resources, and more.

Register online, under the training tab, for any of our upcoming trainings at www.projectable.org

- March 22nd – 24th (Online)
- April 26th – 28th (Online)
- May 24th – 26th (Online)
- June 21st – 23rd (Online)

Classes fill quickly, so reserve your spot today! Due to COVID Restrictions all trainings are currently online.
