

Veteran Trauma Informed Training (VIT) REGISTRATION 2020

Please complete and submit the registration form. We will contact you to confirm your training registration once we receive payment. Please read our cancellation and refund policy on our website at: <https://projectable.org/training/>

Please read the following training type statement and then mark your initials in the blank space to confirm you have read and understand this training program is eligible to train those who have served in the military and those who work with Veterans in Mental Health.

Individuals who successfully complete Project ABLE's **Veteran Trauma Informed Training (VIT)** are eligible for 20-hours of Continuing Education Units towards their Peer Support Specialist (PSS) requirements to work with Adults in Mental Health through the Oregon Health Authority (OHA).

_____ (Initial)

Please read the following personal lived experience statement and then mark your initials in the appropriate space(s) to confirm you have read and meet the personal lived experience training requirement.

_____(Initial) I am a self-identified individual with personal lived experience with a mental health issue(s).
