*= Available online and in person. To join us via zoom, go to <https://projectable.org/what-we-do/activities/> and click on the blue bar above the calendar.

Calendar Activities Descriptions

ABLE Music Jams: Come on in and share your favorite songs with us! Sing along, play a tambourine, or just hang out!

Dance With ABLE: Join us for a fun activity and get exercise at the same time.

Life Changes: Ever feel like the universe suddenly says "SURPRISE!" and hurls a curve ball at your head? This supportive and educational group encourages us to look at changes life has thrown at us. We will discuss ways these changes can be navigated and the impact they have, holistically on us and our recovery.

Wellness 101: Learn about the 8 dimensions and put them into practice!

Power On with Limb Loss: Social hour, Support, and fun for people in the Amputee-Limb Loss community and people with physical challenges. Bring your questions and your fun stories; some meetings will have guest speakers!

ABLE Gamers: Come join us for fun and a variety of board games. Learn about new board games and old ones alike.

Chair Yoga: A gentle yoga class designed specifically for those with mobility issues and/or physical challenges.

Yoga: Experience a stress-reducing, restorative class with a supportive, experienced instructor. Beginners are welcome.

TTRPG Group: Supports growth in social and emotional life skills, creative problem solving and collaboration. Sharing laughter and fun promotes empathy, compassion, and trust with others through mutual goal solving.

LGBTQIA+ Group: Gather to discuss issues and activities within the community.

Self-Empowerment: Positive self-esteem can be an important aspect of recovery. Together we'll discover how amazing we all are! Give it a try.

Trauma Healing & Recovery: Connect with others recovering from trauma in a supportive group setting.

Sew Amazing: Join us for a fun time visiting and learning to sew simple things like a bowl potholder. Everyone welcome from novice to expert level!

CEU Training: For those who have their PSST and need credits to recertify.

Voices & Visions: Individuals experiencing voices and visions come together to provide mutual support.

Volunteer Orientation: Learn about joining Project ABLE as a volunteer. Our history and Project ABLE's role in the community are covered, as well as duties performed as a volunteer. This group is required for new volunteers.

PSS/Volunteer Meeting: The first Friday is a Staff facilitated meeting where we discuss topics related to peer support. The third Friday features Greg Trotter as our facilitator. The first hour of each meeting is for anyone interested; the second hour is for those who support peers.

New to Project ABLE?

Feel free to stop by our office for a Welcome to ABLE
1599 State St. NE, Salem, OR 97301
